H2O Active® Eco Base 650 ml flip lid sport bottle

SKU: TP221009708

Category: Drinkware

Single-wall sport bottle with an ergonomic design, made using Prevented Ocean Plastic. This material is collected within 50 km of coastlines or major waterways that lead to the ocean, then carefully sorted and transformed into high-quality, food-safe recycled plastic. The bottle features a spill-proof flip-top lid and is available in a range of colours. Mix and match components to create your perfect bottle - contact us for additional colour options. Made in the UK. Due to the nature of recycled material, subtle marks may be visible on the bottle's surface, adding to its unique character.
More stock of red bottles due October 27th.
