H2O Active® Eco Vibe 850 ml spout lid sport bottle

SKU: TP221048600 **Categorie:** Drinkware

Single-wall water bottle with straight design made from Prevented Ocean Plastic. Plastic is collected within 50 km of an ocean coastline or major waterway that feeds into the ocean. This is then sorted and transformed into high quality, food-safe recycled plastic. Features a spill-proof lid with flip-top drinking spout, available in multiple colours. The black lid is made from in-house pre-consumer recycled plastic. Volume capacity is 850 ml. Made in the UK. Packed in a recycled PE plastic bag. Mix and match colours to create your perfect bottle. Due to the nature of the recycled material, there may be some small marks on the body of the bottle.
