

Hamell long sleeve men's shirt

SKU: TP238168

Categorie: Clothing

The Hamell long sleeve men's stretch shirt – an ideal combination of style and comfort. This woven shirt features a lightweight poplin fabric of 97% cotton and 3% elastane. Poplin fabric is known for its tight weave, which provides exceptional durability while maintaining a soft and smooth texture against the skin. This means that the Hamell shirt is not only comfortable to wear but also resistant to everyday wear and tear, ensuring long-lasting use. The added stretch provides ultimate freedom of movement, ensuring optimal comfort throughout the day even more. Its hidden button-down collar adds sophistication while maintaining a clean look.
