Herschel Charlie recycled RFID card holder

SKU: TP2120756

Categorie: Bags and travel

Slim and simple. Travelcard, bank cards, ID — when that's all you need, it goes here. The card holder is crafted from EcoSystem™ 600D fabric and liner, both made from 100% recycled post-consumer water bottles. Featuring RFID blocking layer to keep card data protected, multiple card slots, and a storage sleeve.
