Categorie: Bags and travel

The Herschel Cove messenger bag is your ultimate companion for a seamless commute. Crafted from recycled EcoSystem™ 600D fabric, made from 100% recycled post-consumer water bottles, this messenger bag combines innovation with everyday functionality. Its padded floating sleeve securely fits a 15"/16" laptop, while an internal hook-and-loop strap ensures your tech stays in place. The bag features a zippered top lid pocket with a key clip, a zippered front pocket, and internal organiser pockets to keep your belongings neatly arranged. Designed with adjustable smooth webbing straps for hands-free comfort, it also includes front straps with buckles and hook-and-loop tabs for added security. Complete with a tonal stripe liner and the signature "Put Yourself Out There™" internal label, this messenger bag is perfect for those who value both style and practicality.
