

Herschel Spokane 15-16" laptop sleeve

SKU: TP212071880

Categorie: Bags and travel

The sleek and streamlined Herschel Spokane laptop sleeve is crafted from EcoSystem™ 600D fabric made from 100% recycled post-consumer water bottles. The padded fleece liner offers extra protection, and the hidden magnets provides an elegant open/close mechanism. Store it in your backpack for the commute to work or school, or bring it on its own when it's time to travel light.
