

Hide camera blocker

SKU: TP213500401
Categorie: Technology

Provides protection against hackers potentially spying on you, as well as preventing scratches on the camera. Once aligned over the webcam, it needs to be pressed firmly for a few seconds for a strong seal. Then the camera can be blocked/unblocked by sliding the flap to the side. Due to its thin design it does not prevent laptops from closing perfectly. Compatible with most electronic devices with camera.
