The trucker cap that was very popular in the 80s is back again and looks better than ever. Not only looking better but also telling a true sustainable story! This 5 panel trucker cap with curved visor is made with brushed recycled 190gr cotton that is embedded with AWARE™ tracer technology. With AWARE™, the use of genuine recycled fabric materials and water reduction impact claims are guaranteed. Save water and use genuine recycled fabrics. If you choose this item you save 83 litres of water. With the focus on water, 2% of proceeds of each sold Impact product will be donated to Water.org. The trucker cap has a recycled mesh back with velcro closure. Water savings are based on figures when compared to conventional fibre. This calculated indication is based on reliable LCA data as published by Textile Exchange in their Material Snapshots 2016.
