Tell a true story about sustainability and wear it with pride! This 6 panel contrast cap with curved visor is made with brushed recycled 280gr cotton that is embedded with AWARE™ tracer technology. With AWARE™, the use of genuine recycled fabric materials and water reduction impact claims are guaranteed. Save water and use genuine recycled fabrics. If you choose this item you save 250 litres of water. With the focus on water, 2% of proceeds of each Impact product sold will be donated to Water.org. The contrast cap has a dark grey binding and velcro closure. Water savings are based on figures when compared to conventional fibre. This calculated indication is based on reliable LCA data as published by Textile Exchange in their Material Snapshots 2016.
