Unisex classic fit crew neck made from 100% cotton, of which 50% is recycled and 50% organic, in 340 G/M². It is the same crew neck sweater as our IQONIQ 'Zion' crew neck. One difference: we eliminate the dyeing process. We have blended recycled cotton in its existing colour with virgin organic cotton, which creates the beautiful heather mélange effect. The use of genuine recycled & organic fabric materials and environmental impact claims are guaranteed, by using the AWARE™ disruptive physical tracer and blockchain technology. By scanning the QR code you will gain access to a dedicated digital passport of the product. 2% of proceeds of each sold product will be donated to Water.org. This product is OEKO-TEX® STANDARD 100 Centexbel. certified. Due to the nature of recycled yarns, impurities and colour variations may appear.
