

Jeff 30" windproof golf umbrella

SKU: TP2109419

Categorie: Umbrellas

The Jeff windproof golf umbrella is designed with a spacious polyester canopy, comfortably shielding multiple people from the elements. The robust fibreglass shaft and frame provide excellent flexibility, offering strong resistance against high winds. A practical plastic handle with an auto-open button ensures quick and easy operation. The contrasting canopy panels present a perfect opportunity for bold, eye-catching branding—ideal for events, promotions, or everyday use.
