

Kai GRS recycled circular tote bag

SKU: TP2120713

Categorie: Bags and travel

The Kai GRS recycled circular tote bag – the biggest positive impact maker in terms of environmental performance. More sustainable exploration starts with better design – a design with less impact on the environment. The total average reduction in impact already made with 1 bag is as follows: 7% carbon footprint, 42% energy and 47% eco costs. Made from 200T GRS certified recycled nylon, the Kai is a classic and timeless tote bag that is suitable to use on a daily basis. The designated spot for printing is on the pocket that doubles as pouch. The bag can be returned via a take-back program featuring a QR code that provides additional information.
