The Kawartha short sleeve women's organic v-neck t-shirt is a stylish and sustainable choice. Made from 95% organic cotton, with a fabric weight of 200 g/m², this t-shirt is not only good for the environment, but also soft and comfortable to wear. The 5% elastane ensures a soft and stretchy fit. With its V-neck and short sleeves this t-shirt is both sustainable and modern. This model will be replaced in April, 2026, by a new unisex model featuring OCS certification (Organic Cotton Standard).
