KENTO URBAN RCS recycled nylon 15.6 inch laptop sleeve

SKU: TP1P788.13

Categorie: Bags and travel

The KENTO Laptop Sleeve is made from super-light RCS-certified recycled nylon (228T) with a PU backing and finished with an RCS-certified recycled polyester 300T lining. Containing 55% certified recycled material, it combines responsible design with everyday durability. The secure main zipper compartment fits a 15.6" laptop and features 4 mm padding for reliable protection. A front zipper pocket keeps your small essentials within easy reach, making it perfect for busy days in the city, at school, or at work. Lightweight and functional — built for a young, modern lifestyle.
