

Keyfinder Dual keychain with worldwide locating

SKU: TP1P301.1601

Category: Technology

Never lose your keys again with the Keyfinder keychain, featuring integrated locating technology that works seamlessly with both Apple's Find My and Android Find Hub, making it suitable for a wide range of users. With Keyfinder, you'll receive an instant notification if you leave your keys behind, and even if they are completely lost, you can locate them anywhere in the world using the supported networks. Once you're nearby, simply activate a sound to pinpoint their exact position. The Keyfinder includes a long-lasting rechargeable battery that can be quickly and easily powered via USB-C, ensuring the device is always ready to help you keep tabs on your most important items without ever needing to replace batteries. Packed in FSC® mix gift packaging.
