Libra 14" 2-in-1 GRS recycled laptop case 3L

SKU: TP2130085

Categorie: Bags and travel

The Libra 2-in-1 laptop case is perfect for daily commuting or travel because of its well thought out functionalities and design. It is made from GRS certified recycled polyester and RPET lining, and it has a zipped main compartment which can be opened 180 degrees to facilitate security checks. The case also features a quality neoprene protected 14" laptop sleeve on one side, 2 mesh pockets on the other side, a zipped front pocket, a trolley strap on the back, and two open pockets for extra storage where you can also tuck in the webbing handles easily, turning it into a laptop sleeve.
