

Loop 10W recycled plastic wireless charging pad with phone stand

SKU: TP2124203

Category: Technology

Wireless charging pad made of recycled ABS plastic. The charging pad also functions as a phone stand, making it the perfect desk accessory. Connect the charging pad to a computer or laptop and place the device on top to start charging. Wireless output is 10W (max) for quick charging. Compatible with all Qi devices (iPhone 8 or above and Android devices that supports wireless charging). Delivered in a gift box with an instruction manual (both made of sustainable material).
