

Loop 15W dual coil RCS recycled plastic wireless charging stand

SKU: TP2124340

Categorie: Technology

The Loop 15W dual coil wireless charging stand made from RCS recycled plastic is an asset for any desk or nightstand. The stand is equipped with a rubber anti-slip base to prevent the device from sliding off. Thanks to the dual coils, a wireless compatible device can be powered quickly in both portrait and landscape orientation. Compatible with all Qi enabled devices (iPhone 8 or above and Android devices that support wireless charging). Features built-in FOD (Foreign Object Detection) to identify unwanted objects and ensure a smooth charging process. Supplied with an instruction manual and a 100 cm USB-A to Type-C charging cable, and packed in a 100% recycled kraft paper box. Some phone covers/cases might impact the wireless charging capability.
