

Lucas RPET sport towel 50x100 cm

SKU: TP2113502

Categorie: Home and kitchen

The Lucas RPET sport towel is made from 100% recycled polyester, offering a soft and absorbent surface ideal for training or outdoor activities. With a weight of 140 g/m², it strikes a balance between durability and lightweight comfort. The towel features a practical plastic cord to secure both the towel and pouch, making it easy to carry and store. Delivered with a non-woven pouch (13 x 18 cm), that is also made of 100% recycled polyester. Towel size: 50 x 100 cm.
