Luma 15" GRS recycled anti-theft laptop backpack 10L

SKU: TP2130110

Categorie: Bags and travel

Crafted from recycled jacquard polyester with a colour-matching RPET lining, the Luma 15" anti-theft backpack combines smart security with sleek style for people on the move. Anti-theft features include lockable zippers (lock not included) and a hidden back pocket that doubles as a trolley strap. The fabric is also water-repellent to protect your belongings from light rain. Inside, you will find a padded laptop compartment for devices up to 15", a dedicated tablet pocket, an open sleeve pocket with a pen loop, and organised storage to keep essentials neatly in place. The design also features padded shoulder straps, a breathable back panel, and metal plates on the front. Whether you are cycling to work, navigating a busy airport, or heading to class, the Luma backpack delivers all-day comfort with style.
