Lumora is a sleek pocket mirror with integrated LED lighting, designed to provide optimal lighting for your beauty routine. Its adjustable light mode allows you to tailor the brightness to your preference, ensuring perfect lighting for makeup application or touch-ups. Equipped with an enlarging mirror, Lumora allows for detailed precision, making it the ideal companion for any on-the-go beauty routine. The mirror features a 300mAh rechargeable battery, easily charged via USB-C for convenience and reliability. Compact yet powerful, it combines portability with premium functionality. Made out of RCS certified recycled materials, including recycled plastic. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 46% based on total item weight. Item and accessories are PVC-free and packed in FSC® packaging.
