

Magcharge 15W magnetic wireless charging stand

SKU: TP1P309.08

Categorie: Technology

Charge your phone effortlessly with our 15W wireless charging stand, designed for all phones that support magnetic wireless charging. Featuring powerful magnets, your phone stays securely in place, whether positioned vertically or horizontally—perfect for calls, browsing, or watching videos. Crafted from premium acrylic, this stand isn't just functional—it's a stunning decorative piece. Personalise it with vibrant full-colour prints or transform it into a unique custom trophy that reflects your style. The stand comes with a 120 cm USB-C fast charge cable, ensuring seamless connectivity and fast charging every time. Upgrade your workspace or home with a charger that combines form, function, and flair! Packed in FSC certified kraft box.
