

Magnetic 5.000 mAh 5W wireless powerbank

SKU: TP1P322.28

Categorie: Technology

Snap on this magnetic wireless charging powerbank to the back of your iPhone 12 to charge your device. The magnets are perfectly aligned to always ensure the right charging position on your phone. The 5W wireless charger is compatible with all Qi devices (Iphone 8 and up and Android devices), so on other phones it can be used as a regular wireless powerbank. For charging via cable the powerbank offers one USB output (2A) Including 35 cm TPE type C cable. Item and accessories PVC free. Type-C Input 5V/2A; USB Output: 5V/2A; Wireless Output 5V/1A 5W; 17 pcs high quality N52H heat resistant magnets integrated.
