

Manu 5 panel stretch cap

SKU: TP238682

Categorie: Clothing

The Manu 5 panel stretch cap features a pre-curved visor providing essential sun protection. The embroidered eyelets ensures optimal ventilation, keeping it cool and comfortable during activities. With a head circumference of 58 cm, it guarantees a tailored fit for a variety of head sizes. The metal buckle closure provide effortless adjustability, allowing to achieve the perfect fit. Made of 300 g/m² polyester and elastane, a fabric combination that offers optimal flexibility.
