

Marisol 105 g/m2 nylon sun hat

SKU: TP239574550

Categorie: Clothing

The Marisol sun hat is a lightweight essential designed to elevate your outdoor comfort and protection. Crafted from 100% nylon taslon, it offers a soft yet durable feel ideal for sunny or rainy adventures. With built-in UPF 50 sun protection and rain-proof performance, this hat delivers dependable coverage in changing weather conditions. Its quick-drying, breathable fabric ensures all-day ease, making it a versatile companion for travel, hiking, or everyday wear. Each piece includes an Aware™ tracer, ensuring full transparency of its responsible production journey.
