

Mears 5W rechargeable tactical flashlight

SKU: TP2104602

Category: Car tools and accessories

Never run out of battery with this rechargeable high power tactical aluminium flashlight. The solid black aluminium alloy casing offers a tactical look, with an impact resistance of 1 metre. The flashlight features a belt clip for easy carrying, and it is splash-proof with a IPX4 rating. The 5W LED generates 300 lumen for up to 3 hours, and has a beam distance of 200 meters with 5 different light modes: high, medium, low, strobe and SOS. The high power comes from a built-in lithium battery with a capacity of 2000mAh. The flashlight has a size of 14.5 x 3.4 cm and only weighs 170 gram. Comes with an instruction manual and is packed in a recycled cardboard gift box with a size of 17.5 x 6 x 4 cm. Laser engraving on the aluminium body is recommended.
