Melbourne 1200 ml RCS certified insulated tumbler with straw

SKU: TP2100801

Category: Drinkware

The Melbourne tumbler features double-wall air insulation, keeping drinks hot for up to 2 hours and cold for up to 4 hours. The inner wall of the tumbler is made from recycled plastic and the outer wall is made from RCS-certified recycled stainless steel. The tumbler holds 1200 ml so you can stay hydrated in style all day long. Features a splash-proof dual-vent lid with a twist-lock cap. Comes with a food-grade recycled straw. Hand wash only.

Make sipping even cleaner and more enjoyable by adding our Sip silicone straw cover - designed to fit your tumbler's straw and keep it protected from dust and particles.
