

Mepal Vita 700 ml recycled stainless steel water bottle

SKU: TP2100963

Category: Drinkware

The Vita water bottle features a leakproof twist cap and two practical openings: one for comfortable drinking and a larger one for easy cleaning or adding fruit or herbs for extra flavour. Made from 90% recycled stainless steel, it is odourless and taste-neutral, designed for long-lasting everyday use. A handy carry loop makes it easy to take with you and keeps the lid securely attached when not in use. Volume capacity: 700 ml.
