Mesh GRS recycled backpack 18L

SKU: TP213013753

Category: Bags and travel

Crafted from recycled polyester mesh, this backpack offers a more sustainable choice without compromising on practicality or style. It features a generous 18-litre main compartment for everyday essentials, a zipped front pocket for smaller items, and two side pockets ideal for a water bottle or umbrella. Padded, adjustable shoulder straps ensure comfortable carrying throughout the day. The transparent mesh construction creates a sleek, contemporary look while allowing clear visibility of contents – making it perfect for workplaces, events or schools with clear-bag policies.
