Mighty LED knit beanie

SKU: TP238661990
Categorie: Clothing

The Mighty LED knit beanie – a perfect combination of warmth and practicality. Made from a thick acrylic in a 1x1 rib knit, this double-layered beanie offers both coziness and warmth. But what sets this beanie apart is its innovative removable LED headlight, featuring three brightness settings. Conveniently tucked into the turn-back cuff, it can easily be removed for washing and recharged using a USB-A cable (not included). Whether you're braving the cold or needing extra visibility in the dark, this beanie is your reliable companion for all adventures. Elevate your winter wardrobe with the Mighty LED knit beanie, where fashion meets function seamlessly.
