MIYO POP 700+700 ml double layer lunch box

SKU: TP221077901

Category: Home and kitchen

The MIYO POP double layer lunch box contains 40% recycled Prevented Ocean Plastic. Thanks to a world first in recycling, single-use PP cups can now be collected and mechanically recycled into new food-safe products, just like this one! In fact, this lunch box transforms 50 single-use plastic cups into a product that can be used over and over again - and then recycled again! With two 700 ml capacity bases, there's plenty of room for sandwiches, fruit, salad and much more, and it's all held in place with a band made from recycled PET. Other colour combinations plus accessories are available, such as a spork or inner compartment, please contact us for details. Microwave safe, dishwasher safe, BPA-free and fully recyclable. Fully customise your MIYO by adding individual recipient names to the lid - please contact us for more details. Made in the UK.
