The Moleskine hard cover undated weekly planner can be started at any point of the year. It is an excellent choice for those seeking a flexible and durable planning tool. The month, week and date spaces are left blank, allowing more flexibility and freedom than a dated planner. By filling in the dates yourself, you can skip any gaps and only use the pages you need. Features 12 customizable month dividers, five undated weeks per month, an elastic closure and matching ribbon bookmark, ivory-coloured 70 g/m2 acid-free paper, and an expandable inner pocket.
