## Mumbai cotton pocket jute tote bag 18L

**SKU:** TP2119526

**Categorie:** Bags and travel

This tote bag is made from a combination of high-quality cotton and jute, making it very durable. The large 18 litre main compartment is perfect for carrying around all the daily essentials, from a laptop and books to gym clothes and water bottle. The easy access front pocket is ideal to store smaller items. With a 320 g/m<sup>2</sup> quality this tote is a super sturdy and long-lasting bag to carry around all items in the main compartment. Made in India and OEKO-Tex certified. Resistance up to 10 kg weight.
