Writing is something people do almost every day. That's why it is essential to have a reliable pen for it. The Nash ballpoint with a stylish curvy design is such a pen. The pen is made of ABS plastic material that is hard and solid and thus offers a long life span. Thanks to the fast click action mechanism, the ballpoint pen is quick to use and has a soft grip, which reduces any tension on the writing surface. The Nash ballpoint pen is available in different colours and offers multiple possibilities for logo application.
 Black and white pens are solid, while all other colours are transparent.
