Nash RCS recycled plastic ballpoint pen with coloured barrel and black grip (black ink)

SKU: TP210644821

Category: Office accessories

The Nash recycled plastic click-action ballpoint pen features a stylish, curved design with a transparent coloured barrel, silver trims and a black soft-touch grip for comfortable writing. Made from RCS-certified recycled ABS plastic, it helps reduce the use of virgin materials while maintaining durability. A rABS logo is featured on the back, highlighting its recycled content. Ink colour: Black. Nib size: 1.0 mm. Writing length: 1000 metres.
