

Nash RCS recycled plastic ballpoint pen with coloured barrel and grip (black ink)

SKU: TP2106454

Category: Office accessories

The Nash recycled plastic click-action ballpoint pen features a stylish curvy design with a transparent coloured barrel with silver trims and a matching colour soft grip for comfortable writing. Made from RCS certified recycled ABS plastic, it helps reduce the use of virgin materials while maintaining durability. A rABS logo is featured on the back, highlighting its recycled content. Ink colour: Black. Nib size: 1.0 mm. Writing length: 1000 metres.
