

Nexo RCS keychain 2000 mah powerbank with integrated cables

SKU: TP1P323.0301

Category: Technology

NEXO is your compact, always-ready power solution designed to keep you charged wherever you go. Small in size yet highly practical, it features a 2000 mAh high-quality A-grade battery to provide emergency power when you need it most. Equipped with two integrated cables — Lightning and USB-C — NEXO allows you to charge your devices instantly without the need to carry extra cables. The built-in keychain makes it easy to attach to your keys or bag, so it's always within reach. Perfect for on-the-go use, it ensures you're always prepared for unexpected low battery moments while staying easy to recharge whenever needed. Made with 29% recycled ABS. Item and accessories are PVC free and packed in FSC plastic-free packaging.
