

Nomad GRS recycled yoga tote bag 18L

SKU: TP213010090

Categorie: Bags and travel

The Nomad yoga tote bag is made from GRS certified recycled ripstop fabric with a water-repellent finish, GRS certified RPET lining, and reflective elements. It is designed to help you stay organised during studio sessions, beach visits, or everyday errands. The bag features a spacious zipped main compartment and multiple organisational pockets inside and outside. Elastic webbing straps with hook and loop closure on top allow you to carry a yoga mat or beach mat securely. The tote bag has space for your mat, towel, water bottle, a change of clothes, and personal items, making it suitable for both exercise and daily activities.
