

Nordic Drift Titan IP67 Water and Dustproof 5W Speaker

SKU: TP1ND440.00

Category: Technology

Built to Last, Made to Explore. The Nordic Drift Titan wireless speaker delivers powerful 5W sound in a compact, rugged design built for any environment. Shock-resistant and rated IP67 water- and dustproof, it's made to handle rain, dirt, sand, and everyday impacts without compromising performance. The casing is made from RCS certified recycled ABS and TPE and the item is completely PVC-free. Despite its compact size, the Titan delivers premium, clear sound with up to 10 hours of playtime on a single charge. Its portable design makes it easy to carry or pack away, while the USB-C charging port ensures quick and convenient recharging when needed. Ideal for outdoor adventures, travel, and everyday use. All Nordic Drift products are intensely tested for quality. Because we strongly believe in the performance and durability of our gear, every item is backed by a 5-year warranty on manufacturing defects.
