

Nordic Drift Titan IPX4 multifunctional radio 4000mah

SKU: TP1ND430.0401

Category: Technology

Built to Last, Made to Explore. The Nordic Drift Titan Emergency Radio is designed for reliable performance in outdoor and emergency situations. Made with 41% RCS certified recycled ABS, it combines durability and functionality in a compact design to keep you informed and powered when it matters most. Equipped with FM and AM radio, a 4000 mAh A-grade battery, and an integrated powerbank, it provides up to 40 hours of radio on a full charge. The high-efficiency hand crank delivers 5 minutes of radio or 30 minutes of torch light after 1 minute of use, while the integrated solar panel adds charging flexibility. Featuring a 1W torch, USB-C input, USB-A output, and an IPX4 waterproof rating, it's built for dependable use in demanding conditions. All Nordic Drift products are intensely tested for quality. Because we strongly believe in the performance and durability of our gear, every item is backed by a 5-year warranty on manufacturing defects.
