SKU: TP1ND430.01

Category: Technology

Built to Last, Made to Explore. The Nordic Drift 2-in-1 Air Pump & Camping Light is a compact, portable tool for outdoor use. It features a convenient hanger design for use inside a tent or easy storage in a pocket or backpack. Powered by a 2000mAh rechargeable battery, it recharges via the included USB-C charging cable. The PVC-free air pump includes four nozzles and a 2-speed motor for fast inflation and deflation, with a maximum air pressure of 4kPa and an IPX4 waterproof rating. The integrated 200-lumen camping light offers five adjustable light modes for flexible lighting. All Nordic Drift products are intensely tested for quality. Because we strongly believe in the performance and durability of our gear, every item is backed by a 5-year warranty on manufacturing defects.
