Built to Last, Made to Explore. Stay hydrated wherever your adventures take you with the Nordic Drift Recycled Steel Sports Bottle (940ml). Crafted from 81% certified recycled stainless steel (RCS), it combines sustainability with strength. The large-capacity design keeps you fueled longer, while the leakproof lid and detachable carry handle make it practical for both intense workouts and long hikes. Each bottle comes in a premium FSC®-certified gift box, making it a responsible choice — for you and the planet. All Nordic Drift products are tested for quality. Because we strongly believe in the performance and durability of our gear, every item is backed by a 5-year warranty on manufacturing defects.
