Nordic Drift Trail RCS Lockable And Leakproof Coffee Mug 350

SKU: TP1ND310.0201

Category: Drinkware

Built to Last, Made to Explore. Enjoy your favourite hot drinks anywhere with the Nordic Drift Recycled Steel Coffee Mug (350ml), made from 71% RCS-certified recycled stainless steel. Its durable powder-coated body, carry handle, and leakproof, lockable lid make it perfect for travel, work, or outdoor adventures. The innovative lid features a slider to open and close, keeping your drink secure while allowing easy sipping on the go. Lightweight, sustainable, and designed for everyday use, this mug combines practicality with eco-friendly performance. All Nordic Drift products are tested for quality. Because we trust the performance and durability of our gear, every item comes with a 5-year warranty on manufacturing defects.
