

## Nordic essence scented candle small

**SKU:** TP1V26204

**Category:** Personal care and lifestyle

Experience the essence of the nordic landscape with this candle that embodies and captures the rugged beauty and untamed nature of the Nordics. Available in two different scents "Fjord" combines notes of soft white tea with warm spicy notes of ginger. "Fjell" combines warm spicy notes with deep woody tones of oud, amber and leather. After the candle has burned out, repurpose the glass jar as a tea-light holder or use it for your favourite small trinkets. These scents bring the serene beauty of Nordic mountains into your space. Made from 100% soy wax, 120g. Burning hours approx. 20 hours.
