

Notus men's padded softshell jacket

SKU: TP238338

Categorie: Clothing

The Notus men's padded softshell jacket - a perfect blend of style, functionality, and comfort. Designed with a modern look, this jacket features a detachable hood with snap buttons, allowing you to customise your look effortlessly. The tearaway-cutaway main label ensures tagless comfort against your skin. Facing the elements is a breeze with the centre front contrast reversed coil zipper and inner storm flap with chin guard. Essentials are kept secure in the front pockets with zippers and a convenient sleeve pocket with zipper. When in need of more storage there is also an inner mesh pocket. Made of 250 g/m² polyester mechanical stretch with a polyester taffeta lining, that does not only provide optimal padding and filling but also features an eye-catching pattern. With the Notus padded softshell jacket you don't have to compromise on either style or performance.
