Ocean Bottle Peak Brew 590 ml recycled stainless steel tumbler

SKU: TP2100941

Category: Drinkware

The 590 ml Ocean Bottle Peak Brew tumbler with a 360° drinking lid is made for well-earned coffee breaks, keeping your drinks hot for up to 9 hours with enhanced thermal performance. Designed to be leak-proof, its inverted thread seals more tightly under pressure, so it stays secure in your bag wherever you go. Built to last, it features a reinforced body, a rugged base, and is backed by a 10-year warranty. It's also cup holder-friendly, dishwasher safe, BPA-free, and made from 90% recycled stainless steel. Every Ocean Bottle funds the collection of 1,000 ocean-bound plastic bottles, helping to protect coastal communities around the world. Peak Brew connects to the Ocean Bottle app, allowing you to track your hydration while supporting further plastic collection, and includes modular lids to suit your lifestyle.
