

## Omni 3W IPX4 RCS recycled plastic Bluetooth® speaker

**SKU:** TP212433390

**Categorie:** Technology

RCS recycled 3W Bluetooth® speaker that plays music, podcasts etc. from any Bluetooth® enabled device, making it an ideal companion for any occasion. Thanks to the included carabiner the speaker can easily be attached to a backpack, and the IPX4 rating protects it against occasional rain. Enjoy up to 1.5 hours of music at maximum volume due to its 300 mAh Li-ion battery. The charging time is 1.5 hours. Bluetooth® 5.0 with a working range of approximately 10 metres. Delivered with a user manual, a carabiner, a 50 cm USB-A to Type-C charging cable, and packed in a 100% recycled kraft paper box.
