Originalhome cutting board

SKU: TP2113409

Categorie: Home and kitchen

Food safe and durable cutting board made from the root of a teak tree, a waste product from the teak industry. It is sourced from certified teak plantations in Indonesia and handmade by craftspeople in a small, rural workshop in East-Java. It can be used to chop food on or as a serving tray. The minimalistic and natural design of this cutting board is a gem in every kitchen. Size: 41 x 17 x 2 cm.
