

Originalhome Lampion recycled portable lampshade

SKU: TP212449161

Category: Home and kitchen

The Lampion is a small portable lampshade that has a big impact. Made from recycled coastal plastic, it supports a clean-up initiative in Indonesia and helps saving the ocean from plastic waste. Suitable both for indoor and outdoor. Design tip: Add a solar device to use it outdoor, a hanging cable to use as a pendant or a cable with a light switch to use as a floor or table lamp.
