Pheeb's 150 g/m² recycled cotton trendy tote bag 7L

SKU: TP212064191

Category: Bags and travel

150 g/m² shopping tote bag with a trendy design featuring an open main compartment with 25 cm long handles. Made of recycled cotton and completely reusable, making it a great alternative to plastic bags. Resistance up to 5 kg weight. There may be minor variations in the colour of the actual product due to the nature of the production process.
